

## **Introduction to Ethics Activity 1**

### **Instructions:**

Answer **all three questions** in paragraph form. Avoid copying directly from the lesson; instead, use your own understanding of the concepts. Support your explanation with **real-life examples** to show how ethics applies to everyday situations. Make sure your ideas are well-organized, clearly explained, and written neatly.

1. What is the importance of ethics in decision-making?
2. How are ethics and values related to each other?
3. Why is ethical behavior important in professional or organizational settings?
